International Mines Rescue Competition
 Since 1999

Event Selection:

Teams must compete in at least five (5) events. All teams must compete in

- **Team Mine Rescue Simulation**
- **Team Firefighting**
- **Team First Aid**
- **Team Theory Examination and Team Technician**

There will be two (2) optional events, team must compete in at least one (1) of them. If team chooses to compete in all six (6) events they must choose one (1) event to count toward total score: Note the sixth (6th) event will not count toward total score but the team can still be placed according to their score for the sixth (6th) event.

The two (2) optional events are:

- **Team High Angle Rope Rescue**
- **Team Mine Rescue Skills**

Choose ONE (1) optional event to count toward total score:	Team High Angle Rope Rescue	Mine Rescue Skills
---	------------------------------------	---------------------------

Do you wish to compete in both optional events? Note the sixth (6th) event will NOT count toward total score:

Do you wish to compete in both optional events? Note that the sixth (6th) event will NOT count toward total score	Yes	No
---	------------	-----------
