

### Medical and Emergency Assistance

THERE ARE NO ON-SITE MEDICAL FACILITIES AT NMHSA

- If an employee or visitor becomes ill or needs emergency medical attention, medical assistance can be requested by dialing x3555 for Security. If there is no answer, dial 9-911 (Raleigh County Emergency Operations Center) and request medical assistance. If you are trained in first aid and physically able, tend to the injured or ill person. If you are not trained, please stay with the victim until additional help arrives.

- Dial 9-911 to reach the Raleigh County Emergency Operations Center for police, fire and medical assistance. Additional contact information concerning medical emergencies is provided.
